4th May 2014

Dear St Canice Parishioners and Friends,

While we celebrate the 125th Anniversary of the first Mass and Opening of our Church in 1889, we also mark another significant anniversary this year – we celebrate the 10th Anniversary of the establishment of our relationship with our sister Jesuit parish in Railaco East Timor.

St Canice has been supporting the Jesuit parish in Railaco in many ways over the last ten years with some of us having the opportunity to visit and meet with the villagers and children. These are some of the main areas our fundraising have supported:

Children's Feeding Program

Regular nutritional meals are being provided to the children of Railaco through the generosity of the Parishioners and friends of St Canice

Secondary School

The proceeds of our collections have built a dedicated secondary school where 200 children walk up to two hours to receive an education. Three dedicated Jesuits are involved in raising the education standards in the school

Mobile Medical Clinic

Jesuit priest and doctor, Father Bong runs a medical clinic from a 4WD donated by the St Canice parishioners. The community relies on the support of our ongoing fundraising to pay for the cost of all medications in this clinic.

EVERY CENT you donate for Railaco goes through Jesuit Mission.

The Jesuits are fully committed to the growth and development of this poor parochial school in Railaco. The Jesuits are dreaming for a school where teachers and students form a school community that is committed towards the formation of young men and women who love their country and are ready to serve their people, especially the less-privileged sector.
